NATIONAL CHILD ABUSE PREVENTION MONTH

Let's *Talk* About It!

Start the Conversation

As a kid, did adults talk to you about *personal safety and boundaries*?

How did those talks, or lack thereof, shape your understanding of safety and boundaries as an adult?

Why It Matters

Normalizing *open & ongoing discussions* about these topics for kids today can help *break cycles of silence* and *protect children* from harm tomorrow.

Together, we can make a difference.
