NATIONAL CHILD ABUSE PREVENTION MONTH

Let's *Talk* About It!

Start the Conversation

What makes it *difficult to talk about* child safety and abuse prevention?

How can we make these conversations *easier and more effective*?

Why It Matters

Talking about abuse can be uncomfortable, but *silence puts children at risk*. Approaching these topics with *openness and confidence* helps kids feel safer *speaking up* when they need help.

Together, we can make a difference.
