NATIONAL CHILD ABUSE PREVENTION MONTH

# Let's *Talk* About It!

## Start the Conversation

Who in your community—  
teachers, coaches, neighbors,  
etc.—*plays a role* in  
*keeping kids safe*?

How can we support them  
in fostering a *culture of  
protection and awareness*?

## Why It Matters

Keeping children safe is  
an *adult responsibility*.

*Educating* and *empowering*  
trusted adults in a child's  
life strengthens their safety  
net and creates a world where  
*abuse has no place to hide*.

Together, we can make a difference.
