# Employee Matching

## Make Your Gift Go Further

Does your employer offer to match your charitable donations? Consider making your one-time or recurring gift through their giving platform!

Getting your gift matched by your company is a fantastic way to boost your impact at no extra cost to you. Companies with matching programs may double or triple charitable contributions made by employees, spouses, and even retirees! A list of companies with matching programs in Austin can be found on the second page of this flyer.

Thank you for maximizing your impact and supporting Travis County children! For more information, contact us at:
