

Guardian Angel Society

EMPLOYEE MATCHING

Does your employer offer to match your charitable donations?
Consider making your Guardian Angel pledge through their giving platform!

Getting your gift matched by your company is a fantastic way to boost your impact at no extra cost to you. Companies with matching gift programs may double, or triple, charitable contributions made by employees, spouses and even retirees!

A list of companies with matching programs in Austin can be found on the back of this flyer.

Thank you for maximizing your impact and supporting Travis County children!

For more information, contact us at give@centerforchildprotection.org or 512.472.1164.

Maximize your impact

with a matching gift!
